

This is information about Coronavirus

There is a new virus called the coronavirus. It is also called COVID-19

School and afterschool program at Pomeroy have been closed because of the COVID-19.

CORONAVIRUS PREVENTION AT POMEROY ✕

CLOSED

To best protect those that we care most about, Pomeroy Center will be closed through April 7, 2020. All Programs - Children & Teens, Adult OneCenter, Respite Programs are temporarily ceased until further notice. NO VOLUNTEERS AT THIS TIME. THE POOL IS CLOSED.

FAQ'S REGARDING THE CLOSURE CAN BE FOUND HERE
<https://www/prrcsf.org/closure>

CLOSE

School and afterschool programs at Pomeroy have been closed so that Pomeroy and your School can help stop the spread of the COVID-19.

You probably have been hearing a lot about COVID-19. This information may make you feel worried, nervous or confused.

This is what we know about COVID-19:

COVID-19 is a virus. A virus can make people feel sick. People who have COVID-19 may have a cough or a fever.

People get sick because of germs. We can't see germs because germs are so small that we cannot see them.

Germs can be found on my body, on my hands, and on things I touch, like my tablet or phone.

If I touch things and then put my hands near my face, nose, eyes or mouth, I can get germs.

I can keep myself healthy and wash off germs on my hands by washing my hands a lot with soap and water.

When I wash my hands with soap I can sing happy birthday or I can count to 20.

I can keep myself healthy by washing my hands after using the toilet, before eating any food and after touching things.

Before Eating food

After Using the Toilet

I can also remember to not touch my face, nose, eyes, or mouth with my hands if I have not washed my hands.

I can also stay healthy by staying home

healthy

home

My friends and teachers are staying home too! This is so everyone can stay healthy!

classmates

teacher

I may not be able to leave my home and go to cafes or places I like to go to, such as stores, restaurants and shopping malls. I will stay at home.

home

I can still go on walks with family members and play with my toys

walk

toys

Some of my family will be home with me OR I might go stay with a family member at their home.

home

family

My parents and caregivers will keep me safe. It is important to listen to my parents.

They will let me know when I can go back to school and when I can go back to Pomeroy!

For now, it is important that I follow these tips to stay healthy!

Stay home

Wash my hands a lot

Not touch my face

I should wash my hands before I eat AND after I eat!

Wash hands

Eat food

Wash hands

I should wash my hands before I play AND after I play with my devices and toys!

Wash Hands

Touch Things

Wash Hands

I should wash my hands after I use the Toilet!

Use the toilet

Wash my hands

Some things will be different, but I will be okay!

okay

All the teachers at Pomeroy are thinking of you!

Stay healthy and follow these health tips!
